CONTINENT OF MEDIA 99-02, March 1999 by Glenn Hauser

*COM times on RFPI; and on http://www.DXing.com
*Wiring up the stratosphere for telecomms
*Jacor's hub and spoke computer radio deception
*Why broadcast networks are buying into internet companies
*Continent of Media, not especially about shortwave, but:
*How "Into Tomorrow" is packaged for AFRTS including SW; see
 http://www.graveline.com
*Why Congressman Billy Tauzin Really Sucks -- editorial by
 Harry Helms, DXing.com
*Chicago public radio station protecting its coverage area by
 applying for relay stations
*L.A. pager service notifies about car chases ###
